## **PLP Demands OBA Release Secret Plan**

### ***Statement by Darius Tucker, PLP Candidate, Constituency #23, Paget West***

Last night on ZBM, Kim Swan acknowledged that a consultant was brought in after the last election... and recommended a "secret plan." According to Mr. Moreno, it was recommended that the UBP split up, with the younger members forming a new entity. It was then reported that the secret plan recommended that the old UBP members rejoin the new entity and form a new party.

#### **Sounds familiar?**

When asked whether this plan exists last night, Kim Swan answered simply "yes."

The public needs to know exactly what is in this plan and what the OBA is hiding.

For weeks, we've been asking what the OBA is really all about? The answers may be in this secret plan. It's time for the OBA to come clean.

Who do they really stand for and what are they really about?

Is it really about the country or them getting power?

Bermudians deserve to know the truth. That's why today, we are calling on the OBA to release that **SECRET PLAN**.
