

SKYPORT

Environmental Health & Safety (EHS) Manager

Skyport is a Bermudian special purpose company responsible for L.F. Wade International Airport's operations, maintenance and commercial functions. Managing the delivery of the Airport Redevelopment Project that features the construction of a new terminal targeted for completion in 2020, Skyport is the future of Bermuda's air travel experience. Together with our partners in Government and the tourism sector, we help Bermuda compete and shine on the world stage.

We are currently recruiting for an Environmental Health & Safety Manager (EHS Manager). Reporting to the President, the EHS Manager shall receive authority from and act on behalf of Skyport to develop and implement EHS programs for airport operations and oversee contractors and construction related EHS compliance. The EHS Manager will provide day-to-day oversight of Skyport's EHS requirements, including the coordination, action and leadership to enhance continued compliance with local laws and regulations and international guidelines regarding environmental and safety control, permits, regulations, policies and procedures. In collaboration with Skyport's Training Manager, the EHS Manager will develop and implement EHS training programs for airport operations personnel and will also conduct periodic audits and inspections of Skyport facilities, airport tenant facilities and the new terminal construction site. ***For a full description of responsibilities, please call 441-232-5270 or email dia@psolutions.bm.***

Minimum Qualifications

- Minimum 7 years directly relevant work experience, including development, implementation, and execution of EHS programs, preferably in the aviation industry
- Experience developing and executing Corporate Social Responsibility programs and initiatives
- Proficient use Microsoft Office products
- Excellent interpersonal, communication and customer service skills
- Experience in the delivery of programmes and presentations
- Ability to be self-motivated and work under minimal supervision
- Effective and proven organizational skills to meet multiple deadlines and handle multiple tasks in a high pressure and demanding work environment
- Ability to work effectively within a multi-disciplinary team

If you have the necessary experience and qualifications, please submit your resume by email no later than **July 20, 2018** to:

Bermuda Skyport Corporation Ltd.
